# Tips on Negotiating a Scene

- ❖ Negotiating a scene is different than negotiating a relationship.
- ❖ Negotiating play is vital for new players or for those who have never played together.
  - Once you get to know someone you can forego some negotiation for spontaneity.
- ❖ Ready to negotiate? Have in mind what you would like to experience.
  - Be as specific as you'd like.
  - Express what turns you on.
  - Things you have tried in the past that really did it for you.
- ❖ Tell them your limits-Refer to the checklist on other side
- ❖ Pre-Scene negotiating includes but not limited to
  - Who is the top/bottom-any observers-types of address (Sir, Ma'am, Master etc.)
  - Needs and/or expectations, likes/dislikes, and ability- Both top & bottom.
  - Boundaries/Limits
    - Physical-marks, pain, etc
    - Psychological-obedience or humiliation
  - Types of play-impact, sensory, electrical, etc
  - Gear or attire-clothing, toys,
  - Duration- How long
  - Health conditions/concerns-Don't be shy. Heart, allergies, meds, STD's
