### Biting

*chomp chomp is shark for i love you*

### “Choking”

*For health and safety reasons, we cannot serve actual tracheal or carotid compression. However, cautious neck and jaw manhandling is available and highly recommended.*

### Teasing

*We recommend that Teasing be served as an add-on to a main course. Otherwise it's mean.*

### Resistance

## Main Courses

### Fuckin'

*Hot, homemade fuckin'. Perfect for every occasion! Served missionary, doggy-style, cowgirl, that one sideways way, or to order.*

### Blowjobbery

# Mutual Masturbation, Other Possible Definition, Never Was Very Clear on This

## House Favorites

### Fisting

### Wrasslin'

### Pussy Kicking

*I could have made this rhyme, but I'm trying to keep it classy up in here.*

### SM Scenes: Available in Two Varieties!

#### Hypnotic

*Thuddy, rhythmic hitting and flogging until I go all wibbly-wobbly in the eyes.*

#### Brutal

*Violent, mean biting and punching until I'm tackled down to the bed.*

## Special Orders

*(please make arrangements in advance)*

### Bondage Experimentation Night

*How many knots would a knot-tyer tie if a knot-tyer had all night, tons of rope, and a very enthusiastic partner?*

### Extended D/s Experience

*"I'll do anything you want, Sir! Anything at all!"*

*"Paint my house."*

*"Okay, have you picked out chips? Would you prefer matte or eggshell? I'll go get some tarps!"*

### $n > 2$

*Selection of additional partners is subject to management approval. Management approval is subject to bizarre and inexplicable whims.*

# Hotel Sex

*I don't know why it's better when you do it on rented sheets, but damn, it just is.*

## Anal

*Why? Because it's there.*

*All meals conclude with a complimentary dessert of cuddling and warm fuzzy feelings.  
Please don't tip your server. That would make it weird.*
